### Scholarships:

Scholarships are available for students that are *100% unable* to pay program fees. Schools should use their own best judgment in determining *legitimate financial hardship*. Scholarship rates are as follows:

- Free for students skiing
- \$20 for students snowboarding

### Notes on Program Fees:

- Due to the already low cost of the program, we are not able to further reduce the cost for students who do not need rental equipment or who have a season pass.
- Chaperone rates are available to one adult for every five students. Home Schools are limited to one Teacher.
- Community Rates are available for other adults and family members who will be traveling with the school, but who are not Teachers or Chaperones.

## **Teacher/Chaperone Responsibilities**

Chaperone rates are available to one adult for every five participating students. We offer these rates to encourage schools to bring an appropriate number of adults for supervising their group. Chaperones are responsible for helping students in getting dressed, keeping track of their rental equipment, ensuring that students make it to lessons on-time, and supervising students when they are not in a lesson.

Equipment and lift tickets will be provided to Chaperones only after all students have made their way through the rental shop and out to the lesson area.

Chaperones are welcome to participate in lessons at no charge. Our first priority must however be to the students, but we hope to be able to help adults learn to keep up with them.

## **Payment Options**

**Schools pay for their PE day in a single transaction** at the ticket window with a School Check, Cash, Visa, MasterCard or American Express.

Plan to collect cash or personal checks **made payable to your School** from students well in advance of the scheduled trip day.
